

About 69 per cent of the organisations are unable to understand the financial benefits of diversity

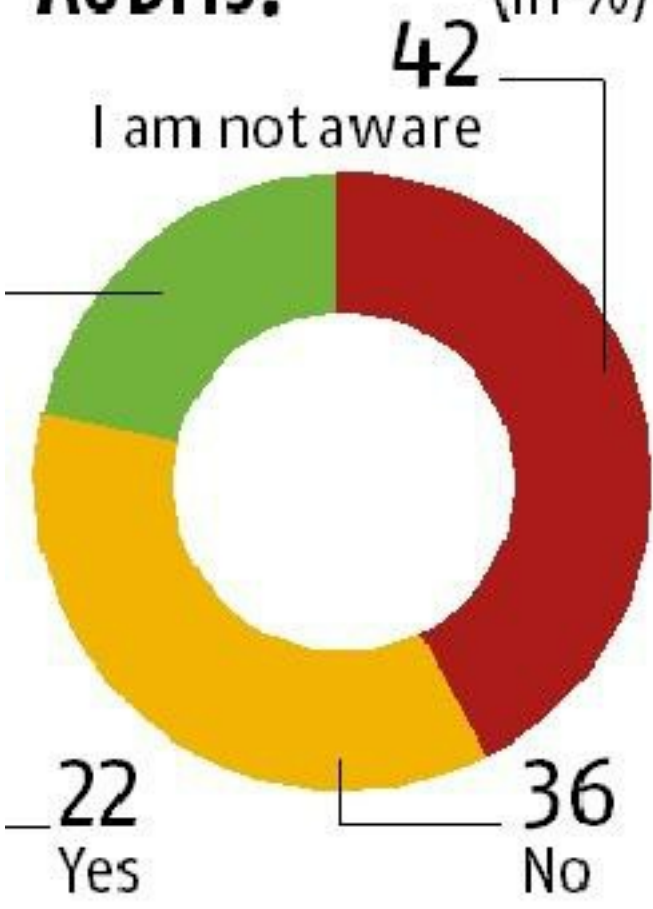

[STR Team](#) Last Updated at April 22, 2018 21:43 IST

About 69 per cent of the organisations are unable to understand the financial benefits of diversity, according to The Future is here, a study by Confederation of Indian Industry's (CII's) Indian Women Network (IWN), and EY, released in April this year. The report presents insights on the level of maturity of Indian organisations and how the benefits of diversity and [inclusion](#) can be optimised for all stakeholders.
